

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Name	First	Middle	Third	Last Name
	Basma	Ibrahim	Khamis	Elsaeed
Name	Full Legal Name			
	Basma Ibrahim Khamis Elsaeed			
Nationality	Egyptian			
Mobile	034876906 / 01221880646/ 01050089802			
Email	Basma.Ibrahim@nur.dmu.edu.eg			
Languages Proficient In	Arabic: (Mother tongue) English: (Read, Write, Speak)			
Academic Rank	Lecturer of Pediatric Nursing Department , Faculty of Nursing, Damanhour university			

Academic Qualifications

Degree	Date Obtained	Degree Title	Issuing Institution	Thesis Title
BSC "Nursing" Excellent Honor degree	2010	Demonstrator	Faculty of Nursing, Alexandria university	-
Master of Pediatric Nursing	2017	Assistant Lecturer	Pediatric Nursing Department, Faculty of Nursing, Alexandria university	Compliance of children with rheumatic fever with their therapeutic regimen.
Doctorate of Pediatric Nursing	2021	Lecturer	Pediatric Nursing Department , Faculty of Nursing, Alexandria university	Effect of mothers heart beats versus soft music on premature infant's physiophysical parameters and feeding tolerance.

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Scientific and Professional Experience:

Experience in Quality and Academic Accreditation:

Member in the Quality Assurance & Accreditation Unit, Faculty of Nursing, Damanhour University.
Member in the project of "questions bank".
Member in the project management committee, Faculty of Nursing Damanhour University.

Teaching characteristics & Methods I Use in My University Teaching

- Set goals
- Be prepared
- Don't lecture directly from the textbook
- Write key points on the board briefly
- Encourage students to participate in class
- Use visual aids, videotapes, overheads, and films
- Use real-world examples (Use concrete examples)
- Discuss current research findings in class
- Be fair with all students
- Be available for students
- Use different teaching strategies such as Lecture, cooperative learning, flipped classroom, group discussion, and gamification.

Personal characteristics & Technologies Used (examples)

1. Be punctual for class (Be prompt for class)
2. Vary teaching methods (Vary class formats)
3. Review previous day's lecture at the beginning
4. Encourage cooperative learning
5. Be relaxed and occasionally humorous.
6. Utilize modern IT in teaching (Use E-Learning in the classroom)
7. Maintain eye contact with students
8. Do not embarrass students (Don't embarrass students by publicly calling on them)
9. Vary voice levels
10. Speak slowly and clearly
11. Move around actively
12. Base grading on various factors

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Professional Experience

Duration	Employer	Position
2011- 2017	Faculty ofNursing, Damanhour University, Egypt.	Demonstrator , Pediatric Nursing,
2017-2021	Faculty ofNursing, Damanhour University, Egypt.	Assistant lecturer , Pediatric Nursing

Teaching Experience

Duration	Institution	Courses Taught
2021 till now	Faculty of Nursing, Damanhour University.	"Pediatric Nursing course" for undergraduate Nursing students
2021 till now	Faculty of Nursing, Damanhour University.	"Developmental psychology course" for undergraduate Nursing students.
2024 till now	Faculty of Nursing, Damanhour University.	"Health promotion course" for undergraduate Nursing students.
2012 till now	Faculty of Nursing, Damanhour University.	"Clinical Training" for undergraduate Nursing students in a variety of settings such as hospitals, clinical lab, and nursery schools.
2021-2022	Armed Forces Health	"Pediatric Nursing

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

2021-2022 2023-2024	Armed Forces Health Institute, Housh Issa, Al-Beheira.	“Pediatric Nursing theoretical” for undergraduate students.
2020-2021	Armed Forces Health Institute, Housh Issa, Al-Beheira.	“Pediatric Nursing clinical” for undergraduate students.
2024-2025	Faculty of Nursing, Damanhour University.	“Scientific Research course” for undergraduate Nursing students

Published Scientific Research

No	Title	Type
1-	Mothers’ knowledge and caring practices for neonatal physiological jaundice: a multisite cross sectional study in El Beheria governorate.	Descriptive study
2-	Mindfulness-based training effect on attention, impulsivity, and emotional regulation among children with ADHD: The role of family engagement in randomized controlled trials.	Experimental study
3-	Effect of implementing training programme for nurses about care bundle on prevention of ventilator-associated pneumonia among newborns.	Experimental study

No	Thesis Titles	Type of Participation
1-	Effect of mother’s heart beats versus soft music on premature infants’ physiophysical parameters and feeding tolerance.	doctorate Thesis
2-	Compliance of children with rheumatic fever with their therapeutic regimen.	Master Thesis
3-	Quality of life for children with thalassemia in El-Beheira governorate.	Member of Supervision committee

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Professional Development Participation in Conferences, Seminars, Lectures, Courses, and Workshops

No	Title	Conference/ Seminar/ Workshop	Date	Location	Institution
1-	A Trainer In ABG training Program	workshop	2022	Faculty of Nursing, Dammanhour University	Faculty of Nursing, Dammanhour University
2-	Attend the training workshop entitled" Blue print"	workshop	2022.	Faculty of Nursing, Dammanhour University	Faculty of Nursing, Dammanhour University
3-	Attend the training workshop entitled" value propositions canavas	workshop	2023	Faculty of Nursing, Dammanhour University	Faculty of Nursing, Dammanhour University
4-	The Fourth International and the 2nd Virtual Scientific Nursing Conference" Nursing toward Sustainable Health"	Conference	14 th -15 th March, 2023	Faculty of Nursing, Dammanhour University	Faculty of Nursing, Dammanhour University
5-	The 2 nd Annual conference "ENDO BEHIRA".	Conference	August, 2023	Damanhour City, Egypt	Damanhour City, Egypt
6-	Attend the training workshop entitled" capstone project FAQ"	Workshop	2023	Faculty of Nursing, Dammanhur University	Faculty of Nursing, Dammanhur University
7-	Workshop "Virtual Reality in Nursing Education" at the Faculty of Nursing, Dammanhur University.	Workshop	3th June, 2023	Faculty of Nursing, Dammanhur University	Faculty of Nursing, Dammanhur University
8-	Workshop "MOOC Development &Management in Nursing Education".	Workshop	23th September , 2023	Faculty of Nursing, Dammanhur University	Faculty of Nursing, Dammanhur University
9-	Attend workshop non- invasive ventilation in neonates	Workshop	May 2024	11th Egyptian congress pediatric pulmonology	the 11th Egyptian congress pediatric pulmonology

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Scientific Awards, Research Grants, and Certificates of Appreciation

No	Type of Award	Occasion	Date Obtained	Issuing Institution
1-	Trophy shield	3 rd place in Al-abakra competition	2019	Faculty of Nursing. Damanshour University

Community Service Participation

No	Participation	Date	Location	Type of Participation	Institution
1-	Mentor of students in presentation competition submitted to the student's conference held by Faculty of Nursing Helwan University	2017	Faculty of Nursing Helwan University	Mentor of students	Faculty of Nursing Helwan University
2-	Participate in World Health Organization's National as Independent Monitor in National Polio Eradication Program.	2021	Cairo, Egypt	Independent Monitor	World Health Organization'
3-	Mentor of students in presentation competition submitted to the student's conference held by Faculty of Nursing Assiut University	2021	Faculty of Nursing Assiut University	Mentor of students	Faculty of Nursing Assiut University

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Committees

No	Institution	Membership Type	Date	Committee Name
1-	Faculty of Nursing, Damanshour University	Member in the project management committee	2021	project management committee
