

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Name	First	Middle	Third	Last Name
	Rodaina	Ahmed	Mokbel	
Name	Full Legal Name			
Nationality	Egyptian			
Mobile	01155338388			
Email	Rodaina.ahmed@nur.dmu.edu.eg			
Languages Proficient In	English			
Academic Rank	Assistant Professor			

Academic Qualifications

Degree	Date Obtained	Degree Title	Issuing Institution	Thesis Title
	2012	Doctorate degrees	Faculty of nursing	Impact of an Educational Program on Pediatric Nurses' Knowledge and Attitudes Regarding Postoperative Pain Management
	2008	Master degree		Effect of Distraction on Preschool Children's Postoperative Pain
	1999	Bachelor degree		

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Scientific and Professional Experience:

Experience in Quality and Academic Accreditation:

Former Deputy Executive Director of the Quality Assurance Unit, Faculty of Nursing – Damanhour University.

Teaching Methods I Use in My University Teaching

Set goals (Set goals)
Be prepared (Be prepared)
Don't lecture directly from the textbook (Don't lecture directly from the textbook)
Write key points on the board briefly (Write on the chalkboard sparingly)
Encourage students to participate in class (Encourage students to participate in class)
Use visual aids, videotapes, overheads, and films (Use visual aids, videotapes , overheads and films)
Use real-world examples (Use concrete examples)
Discuss current research findings in class (Discuss current research finding in class)
Be fair with all students (Be fair)
Be available for students (Be available for students)

Technologies Used (examples)

Be punctual for class (Be prompt for class)
Vary teaching methods (Vary class formats)
Review previous day's lecture at the beginning (Review previous day's lecture)
Encourage cooperative learning (Cooperative learning)
Be relaxed and occasionally humorous (Be relaxed and occasionally humorous).
Utilize modern IT in teaching (Use E-Learning in the classroom)
Maintain eye contact with students (Maintain eye contact)
Do not embarrass students (Don't embarrass students by publicly calling on them)
Vary voice levels (Vary voice level)
Speak slowly and clearly (Speak slowly and clearly)
Move around actively (Move around)
Base grading on various factors (Base grading on a variety of factors)

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups
