

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Name	First	Middle	Third	Last Name
	Mona	El-sayed	Mohammed	Shaheen
Name	Full Legal Name			
	Mona El-sayed Mohammed Shaheen			
Nationality	Egyptian			
Mobile	01091264554			
Email	mona.shaheen@nur.dmu.edu.eg			
Languages Proficient In	Arabic: (Mother tongue) English: (Read, Write, Speak)			
Academic Rank	Lecturer of Pediatric Nursing Department , Faculty of Nursing, Damanhour university			

Academic Qualifications

Degree	Date Obtained	Degree Title	Issuing Institution	Thesis Title
BSC "Nursing" Excellent Honor degree	2012	Demonstrator	Faculty of Nursing, Damanhour university	-
Master of Pediatric Nursing	2019	Assistant Lecturer	Pediatric Nursing Department, Faculty of Nursing, Alexandria university	The Relation between Health Status and Internet Addiction among Adolescents.
Doctorate of Pediatric Nursing	2024	Lecturer	Pediatric Nursing Department , Faculty of Nursing, Alexandria university	Effect of implementing the protective nursing care bundle of ventilator associated pneumonia on its incidence among critically ill children.

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Scientific and Professional Experience:

Experience in Quality and Academic Accreditation:

Member in measurement and evaluation unit, Faculty of Nursing, Dammanhour University.
Member in the project of "the practical and oral exam evaluation systems development project ".

Teaching characteristics & Methods I Use in My University Teaching

- Set goals
- Be prepared
- Don't lecture directly from the textbook
- Write key points on the board briefly
- Encourage students to participate in class
- Use visual aids, videotapes, overheads, and films
- Use real-world examples (Use concrete examples)
- Discuss current research findings in class
- Be fair with all students
- Be available for students
- Use different teaching strategies such as Lecture, cooperative learning, flipped classroom, group discussion, and gamification.

Personal characteristics & Technologies Used (examples)

1. Be punctual for class (Be prompt for class)
2. Vary teaching methods (Vary class formats)
3. Review previous day's lecture at the beginning
4. Encourage cooperative learning
5. Be relaxed and occasionally humorous.
6. Utilize modern IT in teaching (Use E-Learning in the classroom)
7. Maintain eye contact with students
8. Do not embarrass students (Don't embarrass students by publicly calling on them)
9. Vary voice levels
10. Speak slowly and clearly
11. Move around actively
12. Base grading on various factors

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups

Preparing competent graduates who are up to date with challenges of the era and qualified to provide the highest quality of comprehensive nursing care for children

Professional Experience

Duration	Employer	Position
2013- 2019	Faculty ofNursing, Damanhour University, Egypt.	Demonstrator , Pediatric Nursing,
2019-2024	Faculty ofNursing, Damanhour University, Egypt.	Assistant lecturer , Pediatric Nursing
2024- present	Faculty ofNursing, Damanhour University, Egypt.	Lecturer , Pediatric Nursing
2024 till present	Faculty of Nursing, Damanhour University	Academic advisor of second academic year, 2024/2025 (credit hours).
2022till present	Faculty of Nursing, Damanhour University	Member of measurement and evaluation unit.
2024 till present.	Faculty of Nursing, Damanhour University	Academic advisor of condensed program, 2024/2025 (credit hours).
2024 till present.	Faculty of Nursing, Damanhour University	Member in the practical and oral exam evaluation systems development project,

Teaching Experience

Duration	Institution	Courses Taught
2024 till now	Faculty of Nursing, Damanhour University.	“Pediatric Nursing course” for undergraduate Nursing students
2024 till now	Faculty of Nursing, Damanhour University.	“Health promotion course” for undergraduate Nursing students.
2013 till now	Faculty of Nursing, Damanhour University.	“Clinical Training” for undergraduate Nursing students in a variety of settings such as hospitals, clinical lab, and nursery schools.
2024-2025	Armed Forces Health Institute, Housh Issa, Al-Beheira.	“Pediatric Nursing theoretical” for undergraduate students.
2021-2022	Armed Forces Health Institute, Housh Issa, Al-Beheira.	“Pediatric Nursing clinical” for undergraduate students.

The mission of the pediatric nursing department is to maintain a competency-based education through evidence-based nursing practices to provide the candidate with knowledge and new trends necessary for safe and accurate nursing interventions for children in health and illness in different –age groups
